

TY Cinema Trip – Noble

The TY cinema trip was held on Thursday the 2nd October. It was the first trip the entire TY year group attended. We went to The Pavilions, Swords to watch “Noble”, the motion picture based on the life of Christina Noble, a famous Irish born philanthropist.

This movie shows Christina Noble overcoming the harsh difficulties of her childhood in Ireland to discover her destiny on the streets of Saigon, Vietnam.

“The movie was very moving and informative. The day itself was a huge success. We hope to have more like it, perhaps to the theatre next!” – Ms. White.

The TY’s behaved very well and both the teachers and the staff at “Movies@Swords” were very impressed with our polite manners.
